THE IMPORTANCE OF PROPER TRAINING:

By T. A. Langridge.

The visit of the British Service Squadron chimes in most auspiciously with the opening of the Football Season in Sydney, since it will bring to the Soccer grounds many hundreds of eager, enthusiastic and appreciative spectators from overseas, full of ardour for the game. The match against the

pitch of athletic perfection. This is a feature which appeals strongly to the huge crowds that attend the League matches in the Old Country, where the fanie and feats and adroitness of the individual players are so closely studied.

This 1924 season should be a record one for N.S.W. It is full of promise. The enthusiasm and impression roused amongst a hitherto somewhat apathetic public last year by the memorable matches between our teams and the New Zealand and Chinese com-

Football, that, whilst at the commencement of the season the games were watched by small numbers only of onlookers, towards the close of it the scene completely changed, and people who up till then (from sheer ignorance of its merits) had been inclined rather to disparage Soccer, began suddenly to become its most enthusiastic supporters, attending the final matches in crowds.

The popularity of Soccer football with our famous old friend, "the man in the street," is unlikely to wane so long as the players show skill and stamina, and make the game fast and fascinating. But this is only possible when teams take up the question of having every player a trained man as a matter of the greatest importance. That the New South Wales combination have this year decided to adopt the policy of inducing their members to look after themselves at the gymnasium and to build up a physique which will enable them to finish a hard game as fresh as when they began it, is indeed a most promising augury for the future of Soccer in this State.

Mr. H. Armstrong, Vice-President of the Metropolitan Association, and a member of the Protest and Disqualification Committee of both the New South Wales and Metropolitan Associations, has presented a medal valued at £2/2/ for the best representative player in the Metropolis. The Metropolitan Selectors are to be the judges, and the players from the Metropolitan Area will be keenly watched in all "big" games in the Metropolitan Area, be they representing the Metropolis, New South Wales, or Australia. Mr. Armstrong is to be commended for his generosity.

The coming season promises to eclipse all others in the progress of our game in public estimation. We hope to consolidate the work of last season, when we played before grand crowds on the occasion of the visit of the New Zealanders and the Chinese. The visit of the Fleet has given us a chance to have a good and early kick-off. The Canadian Tour should give the game the necessary impetus throughout Australia. We have a wonderful opportunity. The game is played and well organised in every State of Australia. It is played in every country of the world. This means that our Interstate and International programme will always be full. We have but to choose wisely and organise soundly, and we cannot but prosper. There must, however, be a spirit of enterprise. Every risk that Soccer Football organisations have undertaken in recent years has been successfully undertaken. There must be small losses, but if these are offset by gains, then the result is to the advancement of the game. The spirit we must cultivate is enterprise, and next to that, self-reliance. Clubs should not expect too much from the Association. They must be prepared to strike for themselves. We are organised in nearly every department of the game. Our clubs want placing, however, on a sounder basis. They should see to it if possible that they have a source of revenue. The New Caledonians are very keen to visit Australia, and in the event of them placing a definite proposition before the N.S. Council it is understood that it is likely to receive favorable consideration.

The outside world are intensely watching the results of International matches. England has definitely promised to send a team in 1925, and that team will be strong enough to beat us in any rate that is the intention.

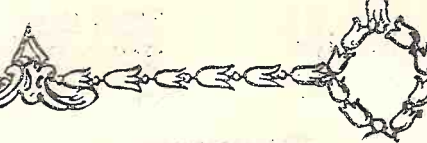

The report that New Zealand has successfully negotiated for the Chinese Team this season has been hailed with satisfaction every quarter. Although New Zealand and the C.F.A. could not co-operate in the matter of the Canadian visit, that is no reason why we should not be wholehearted in our desire to see the game go ahead in every corner in the Southern Hemisphere.

WELCOME

The Soccer Code of New South Wales joins with all sections of the community in extending a hearty welcome to the Navy Squadron, and it is with the keenest anticipation and pleasure that we look forward, to-day, to meeting its men on the field as opponents—and friends.

Brief though their stay will be in Sydney, we hope to make it a happy one, and trust that their association with Soccer men here will be amongst their most pleasant recollections.

An invitation came to hand on the 23rd March from Belgium inquiring as to our terms for matches on April 4th and the 11th, or the 18th. Unfortunately this came to hand too late. But it just proves what can be done. We can without doubt secure an invitation for an Australian team to visit Europe and England in the coming close season.

THOROUGHLY REPRESENTATIVE TEAM.

Arrive Sydney May 3rd.

The Canadians arrive in Sydney on May 3rd, by the s.s. "Niagara," and will play their first game on the 10th against the Metropolis.

The team is a thoroughly representative one, and as the standard of play in Canada is reported to be on a par with that of an average British combination, we should see some good football.

Mr. James Adam, representative of British Columbia on the Canadian Football Association, has been appointed manager of the team, which consists of sixteen players and a trainer.

The selected players are as follows:—Goal: H. Mosher (Vancouver); full backs: G. Anderson, M. McLean, H. C. Noseworthy; halves, H. Chapman, F. Dierden, J. Wilson, J. G. Armstrong, R. Stobbart; forwards: G. Forest, R. W. Harley, L. Ford, F. Bowman, W. Dinning, L. Sanford, J. Hood; trainer, D. Morrison.

Strong Side.

From the descriptions forwarded these players constitute a powerful combination, and this is borne out by Mr. Sam Davidson, hon. secretary of the Canadian Association, who is confident that his team will worthily represent our sister Dominion.

The goalkeeper, H. Mosher, is recognised as the best keeper in Canada, and in Vancouver, especially, where he hails from, followers of the round ball game easily give him pride of place.

H. McLean is described as the best left back in Calgary, while G. Anderson is stated to be the best back in British Columbia.

H. C. Noseworthy is the utility man, and can do well at either back or goalkeeper, and is highly recommended.

J. G. Armstrong is the best right half in Vancouver, while F. Dierden, the "star" half of the side, is the best man in Canada, who was put in at the late minute,

He holds two medals for Dominion championships.

G. Forest is a Scotchman, and played with Hearts and Alloa Athletic, Scotland. He is reckoned the finest outside right in Canada. W. Linning is a born footballer, and can play in any position. It is said that he had the opportunity of signing for Chelsea (England) during the war, but owing to private business reasons refused.

The rest are a good lot. L. Ford is the best forward in Saskatchewan; E. Bowman is highly thought of in Saskatoon, while F. Hood is top goal scorer for Brandon. The outside left is L. Sanford, who has played for Canada in several international games.

There is no doubt our strength is going to be severely tested, but we look forward to the coming tests with every confidence.

FIVE TEST GAMES.

Although the itinerary for the tour is not yet finalised, it has been decided to play five test matches—two in Sydney, one at Newcastle, one at Brisbane, and one at either Adelaide or Melbourne. The itinerary for N.S.W. and Queensland will be finalised at the next meeting of the N.S.W. Association.

The inaugural meeting of the Sydney Junior Referees' Association will take place on Wednesday, the 16th inst., at 8 p.m., at the Sports Club, Hunter Street, Sydney. All referees at present belonging to any of the existing organisations who feel that they would like to throw in their lot with the juniors should endeavour to be present. THE MANLY MATCH.

The Team Selected.

The following is the team selected to represent Combined Manly and Metropolis against the Navy at Manly Oval, on next Wednesday, the 16th April:—

Goalkeeper: G. Cartwright (Bal. Gladstones); Full Backs: C. Leabeater (Granville), Sweatingham (Manly); Halves: G. Storey (Bal. Gladstones), Hammond (Manly), H. Spurway (Granville); Forwards: S. Bourke (Granville), R. Jones (Manly), Northcote (Manly), Cordell (Manly), C. Boston (Manly); Reserves: E. Atchison (Granville), Harris (Manly), Roy (Manly).

The early match will be a schools' feature, and given a fine day there should be a good crowd present at Manly, and the game should get another boost along.

The Navy Squadron team travels from Circular Quay to Manly on the 2 p.m. boat, and will be met by the Mayor and Aldermen at the Manly wharf, where, after a welcome has been extended they will be taken a motor drive around the village, before they are taken to the Oval, where the football officials take charge. A dinner and social evening has been arranged, and the local Manly team is out to make the function one worthy of the occasion.

Note.—Word has just been received that C. Leabeater is unavailable. The selectors have not filled the vacancy yet.

Contributions are invited and should be addressed to the Editor, "Soccer News," Sports Club, Hunter Street, Sydney, and will be received up to 5 p.m. on Tuesday. Personal paragraphs concerning players, officials and supporters are especially asked for. Any matter of interest to followers of the game, however, is welcome.

The Referees' Association are holding an examination on Monday next, the 14th April, at the Sports Club Sydney. All intend-

SYDNEY SOCCER FOOTBALL CLUB

Have Been Unlucky.

One of the unlucky teams of the past few seasons, Sydney has made great strides of late in the matter of organisation, and will be more than ever a force to be reckoned with this year. In 1920 Sydney were a First Division team, this was the first year that the two up and two down system came into vogue.

Sydney were a good team, but were unfortunate, and finished second last, losing many of their games by the odd goal.

Accordingly, in 1921, they were relegated to the second division, commencing the season with a very weak eleven, having lost many of their players through various reasons.

However, they battled on, and at the end of the season had a

son level in points with Balmain, Scottish, and in the play off, Scottish won by one goal to nil.

The same season Sydney were defeated in the semi-final of the Gardiner Cup by Granville (the ultimate winners) by 2 goals to 1.

Season 1923 saw them back into the 1st division, and the club made its name by fighting its way into the Gardiner Cup final.

It took three games to decide the final, West Wallsend winning the third game by 1 goal to nil in the Tramway Ground, Newcastle.

1924.

This season the club is running three teams—1st Grade (1st division), 2nd Grade, and All Age Juniors.

Every Thursday night over thirty members train under Mr. T. A. Langridge, in his gymnasium at Denison House, 33 George Street, City.

Delegates from the Ryde, Canterbury, St. George, Granville, and Protestant Church organisations have already had a conference, and while all the delegates were not in agreement, still each was sympathetic, and was prepared to go back to his organisation, and recommend that they be represented.

In 1922, with practically the same team, they finished the sea-

Every Thursday night over thirty members train under Mr. T. A. Langridge, in his gymnasium at Denison House, 380 George Street, City.

The latest acquisitions to the 1st grade team include T. Bailey (goalkeeper), and H. Fitzpatrick (inside-right), both players of merit.

Exhibitions given by Goalkeeper Bailey will be remembered by

those who witnessed them in the 1920-21 seasons, when he played for Canterbury.

H. Fitzpatrick is a splendid inside-forward, of a quiet disposition, and in the short time he has been with Sydney, has made a name for himself.

J. Crum's abilities are well-known to Soccer followers, and of late he has paid a lot of attention to training.

The club's headquarters are—c/o. the Langridge School of Physical Culture, 380 George Street, Sydney; 'phone B 4578, where all correspondence may be addressed. Mr. Langridge is the President of the Club, and is a keen and enthusiastic worker.

Officers of the Club are:—President, T. A. Langridge; Hon. General Secretary, V. Paling; Hon. Secretary, 1st Team, T. Bessey; Hon. Secretary, 2nd Team, S. J. Kelly; Hon. Secretary All Age Juniors, H. Chesworth; Hon. Treasurer, H. J. Sherringham.

The Hon. General Secretary will be pleased to hear of anyone who wishes to take a keen interest in the Club, also of prospective players for various teams.

THE ENTRANTS.

At time of going to Press the affiliations of 45 teams have been accepted. Late entrants will probably swell the total to at least fifty. This, of course, is exclusive of the St. George Branch, for which branch applications have not yet closed.

As in 1923, three grades will be conducted, Second and Third Grades being each divided into two divisions.

Looking at the appended list of teams, one is struck by the number of old timers missing—Dulwich Hill, Baptist B, Alexandria Congs. A., and St. Bedes' have all entered the ranks of M.S.F.A. One of our teams in 1922, Lachlan Rangers A, entered the Seniors in 1923, and carried all before them. It is to be hoped that the teams going up this time will not lower the prestige of the Churches. Members of Lakemba Meth. are going to try their luck with M.J.F.A., while St. Anne's are entering the newly-formed Ryde Association. Ryde Meth. are also entering a team in this competition.

The P.C.S.F. Association would like to take this opportunity of wishing the Ryde Association every success during its initial season.

Whereas St. John's, Balmain, Drummoyle Baptists, Alexandria Mission, Botany Methodists, Newtown Congs., and Croydon Congs. had only one team each in 1923, this season they have all entered two teams. The officials of these clubs deserve great praise, for it is due to them that the round ball game is going ahead with such leaps and bounds. We are also pleased to welcome Enmore Tabernacle back to the fold again this year. St. Luke's, St. Columis, St. Stephen's, Kingston, Canterbury Meth., and Annandale Meths. are all new teams, to whom we extend a hearty welcome. Annandale Meth. owe their existence to E. Morgan, who in the past has been one of St. Aidan's mainstays. Ecta has been trying for years to form a club at the

The draw for the First Round will be available on 22.4.24.

Criticism.

The South Coast "Times" this week is full of letters of criticism against the selection of the above team.

J. Muir, who has been selected as a reserve is preferred to Hunter; Davy Ward, who represented for Australia in New Zealand in 1922, is contended to be a better man than Green; D. Jones, although nearing the veteran stage is argued to be much better than Cunningham, while E. Jarrett is preferred in some quarters to W.

Criticism.

The South Coast "Times" this week is full of letters of criticism against the selection of the above team.

J. Muir, who has been selected as a reserve is preferred to Hunter; Davy Ward, who represented for Australia in New Zealand in 1922, is contended to be a better man than Green; D. Jones, although nearing the veteran stage is argued to be much better than Cunningham, while E. Jarrett is preferred in some quarters to W. Johnstone.

The representatives of South Australia and Victoria on the C.F.A. are "Bill" Bellis and Ernie Crawford. These two are pillars of the game in their respective States.

The Granville Associ

We extend season's greetings to all other Associations, and wish them a prosperous and profitable season.

Prospects here for the new year are indeed very encouraging, and perhaps sixty teams will play under us.

We are not unmindful of the serious blow "Our game" has received by the continued illness of our respected Treasurer, Mr. F. W. Barlow, and we join with others in trusting that God may soon restore him to good health. If a brave heart will pull F. W. through, we are satisfied he will soon be well.

Another old friend to have a share of illness is our Superintendent of grounds, P. T. Williams. We also wish him a better run in the years to come.

The Annual General Meeting, which was held on the 24th March, was well attended by Officers and Delegates from 30 teams. Interest was keen, and close attention was paid to the business.

The election of officers resulted as follows:—Patron, Dr. Parer; President, Ald. Henden Epps (Unopposed); Vice-Presidents, F. W. Barlow, P. T. Williams, Fred Robertson, D. Booth, J. McFarlane, E. Langley, J. Riordan, Ald. H. A. Membrey; Hon. Secretary, Bentley Hyslop (unopposed); Assistant Hon. Secretary, W. Allerton; Hon. Treasurer, E. Hodgkinson (unopposed); Auditors, W. Rowell and A. McGill (unopposed).

The Insurance Scheme which was inaugurated last season, disclosed a most satisfactory position. During the season 25 players were injured and received £35/1/-, the fund closed with a credit balance of £55/2/8.

In addition to the Juvenile Junior All Age and Church Competitions, a Senior Grade is to be run this year. Already entries have been received from Babcocks, Lidcombe District, Parramatta District, and it is hoped to receive Bergers' entry before very long.

Entries for all the other grades are coming along very well.

New entrants in the All Age are Granville East, Merrylands Sports Club, English Electric, and Auburn Advance.

Entries have also been received from Guildford Juniors and a Fairfield eleven is in the making.

Entries for all grades are to close on the 15th inst.

Enquiries have been received from Bowral and Murrumburrah for teams to visit those places during the season. Any teams having a bye are recommended to make this trip, as it is a good one.

Hawkesbury College will also take a team on May 31st. Are there any offers?

Will Allerton, the new Assistant Secretary of the Association, has been re-elected Secretary of the G.D. Referees' Association.

All of last year's referees now hold the N.S.W. certificate. We are proud of this achievement.

It is a common question here why the M.S.F.A. ignores the local men with such regular monotony. Can this question be answered?

Ned Doherty and Snowy Newhouse are the latest converts to the whistle. If their career is as good with it as it was in the big smoke, then we have no doubts about them.

Excitement is keen over the proposed visit of the Fleet Team to Clyde on the 19th. A big reception is being organised in real Granville style, and a good time is promised the boys in blue from the time they land till the last train.

Our new ground has advanced a step during the past week, when the final documents were signed by the parties concerned.

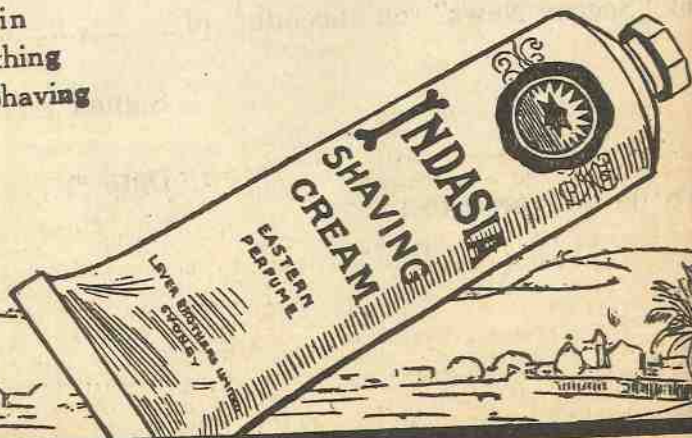

The contractor should be on the job in a few weeks.

The Proprietors of the local paper, "The Tribune," have donated a very fine cup for the winners.

The proprietors of the Parramatta "Cumberland Argus" have also given a cup for a knock-out in this division.

The contractor should be on the job in a few weeks.

Of the new officials elected, Ernie Hodgkinson, Treasurer, takes up the work of Mr. Barlow, resigned. Ernie is one of the solid order, is a very prominent worker in Friendly Society work, and is always mixed up in anything good for Granville.

Ern. is also Assistant Secretary of the Granville Agricultural Society, a position he has filled with some distinction. He is also Pre-

hood.

Alderman Henden Epps, well known on the Council of the N.S.W. Association, is popular and admired for his straight manner. He is billed to fill the position of President for many years.

Will Allerton, one of the best referees in the State, refereed the Gardiner Final last year.

A successful career lies ahead of the popular William.

Bentley Hyslop, re-elected Hon. Secretary for the third year, can always be relied on to be there at the right moment.

Ben is also Secretary of the Brotherhood and the Granville Agricultural Society. All very important positions, and the question is often asked where he gets his energy from.

THE REFEREES.

Should Be Satisfied.

There has been a big difference of opinion in recent years as to whether the Referees' Association or nominees of the Management Committee should appoint referees. This year it was laid down that Referees would be appointed by a board consisting of two representatives of the Management Committee, and one representative of the Referees' Association.

Trouble was immediately foreshadowed. The Referees' Association held over the naming of its representative until the M.C. have selected its representatives. These were found to be Messrs. Black and Macdougall. Mr. Black has been a member of the appointment Board, representing the referees for a number of years, while Mr. Macdougall was a member of the Referees' Association last year. The Referees appreciating the generous spirit of the members of M.C. have elected Mr. Peaty as their representative on the Appointment Board. So that we see three men, all interested in the art of refereeing, and all members of the Metropolitan Management Committee on the Appointment Board, which is surely a happy ending, to what has been an unseemly squabble.

Abbreviated Laws of the Game

Eleven players form a team. For positions see team list.

HANDLING THE BALL.—The goalkeepers only may play the ball with their hands, and they only within the penalty area. **INTENTIONAL** handling only is penalised by a free kick to the opposite side, opponents keeping back ten yards.

OFF-SIDE.—This is the hardest rule of all. A player cannot be off-side in his own half of the field of play, nor when the ball is last played by an opponent, nor if he is behind the ball when it is last played. He cannot be off-side when a corner kick or throw-in is taken, this protection ceasing when the ball is again played by one of his own side. With these general exceptions a **PLAYER MUST HAVE AT LEAST THREE OF HIS OPPONENTS NEARER THEIR OWN GOAL LINE.** To be penalised a player must be playing the ball or interfering with the play.

HISTORIC EVENTS.

(By J. McDougall).

To-day, Sydney, the Queen City of the South, extends a hearty welcome to the British Special Service Squadron Soccer team.

To-day, London, the Heart of the Empire, welcomes Scotland's representative Soccer team.

The former is of great importance to our code here, and will help to make history. The latter, already an historic event, is of great interest to our patrons and visitors, and some general information thereon will no doubt prove acceptable reading.

The greatest of all representative games, Scotland v. England, will be played at the Imperial Stadium, Wembley, London, and to-day's match is the forty-eighth official fixture. The record to date is:—Scotland won 20; England 14; drawn 13. Scotland, 95 goals; England, 82. The largest score so far is in favor of the Thistle, England being defeated by 7 goals to 2 at Glasgow in 1878. Scotland has won 8 games

FREE KICK.—A free kick is awarded for handling the ball, tripping, kicking, jumping at, holding, pushing, or illegally charging an opponent or dangerous play.

PENALTY KICK.—This award for the following infringements within the "penalty" area (18 yards mark): Tripping, kicking, striking, jumping at an opponent, handling the ball, holding, pushing, or illegally charging an opponent. All players except the player taking the kick and the opponents' goal-keeper must keep outside the penalty area. The kick is taken from a mark 12 yards from the goal line.

GENERAL.—Intentional infringements only are penalised, and generally speaking the "advantage" rule is followed.

Charging is permissible, but must not be violent or dangerous.

ered; but temporarily only, as she will come again stronger than ever. At best I can only expect a drawn game, but like all good sports I trust the better team wins. Last year's match was played at Glasgow, and resulted in a draw, two goals each. During the years 1915-16-17-18, no games took place, owing to the war, when most players took part in a sterner game.

The Rose has the advantage in what are termed unofficial games, viz., the "Victory" contests of 1919. At Everton the result was a draw, two goals each, and at Glasgow England won by four goals to three. The game at Glasgow in 1902 was abandoned when the score was one goal each, and declared unofficial because of its tragic ending. One of the stands at Ibrox Park, the ground of the Glasgow Rangers' Club, collapsed during the game, and caused the death of 25 persons. 24 were dangerously injured, 168 seriously injured, 153 injured, and 172 slightly injured, as classified by the police authorities. Although

Charging behind is illegal unless an opponent is obstructing, but it must under no circumstance be violent or dangerous.

GOAL.—A goal is scored when the ball has passed between the goal posts, under the bar, and completely over the goal line.

CORNER KICK.—If the ball is played behind by one of the defending side, an opponent shall kick it from within one yard of the corner flag.

THROW-IN.—The ball is out of play when it has passed completely over the touch line. The throw-in is taken by an opponent, who must stand with part of both feet on the line and throw the ball with both hands over his head.

DURATION OF GAME.—Except when otherwise arranged, the duration of a game shall be two spells of 45 minutes.

attendance for an International game was at Hampden Park, the estimated attendance being Glasgow, on the 23rd March, 1912, 127,307; the gate receipts amounted to £5,198, stands and enclosures £1800, making a total of £6998. The previous record was on the same ground, on April 4th, 1908, when 121,452 spectators paid for admission, and the total receipts amounted to £6762. The takings on the Corporation tramways to and from the ground amounted to £4294, and this figure does not represent the total expenditure in travelling to the scene of the contest, as apart from this, thousands travelled by train, motor car, bus, brake, and all sorts of conveyances, and on foot, and serves to illustrate what such a game means to the Soccer public. I was present on this latter occasion, and vividly remember many incidents on and off the field. The only occasion when all such records were broken was at last year's final of the English Cup, which I will deal with on Cup day, the 26th of this month.

The M.F.J.A.

THE OFFICERS.

The general meeting of the M.F.J.A. took place on the 27/2/24, and the good attendance augers well for the coming season.

Mr. West was again elected President.

The seven vice-presidents were elected as follows: G. W. Skelley, F. C. Packer, H. Sainty, W. Robertson, H. Cockwell, E. Goldsmith, and J. Craig; Management Committee, H. Sainty, H. Cockwell, McLay, G. Hargett, A. Jones, J. Ayres, and F. Haynes; Secretary, J. Fitzgibbon; Assistant Secretary, A. Robinson.

Position of Treasurer and other Assistant Secretary will be filled at Council meeting, to be held at Deaf and Dumb Hall on the 16th inst.

It is with much regret that the Association has lost the services of F. C. Packer as Secretary, after an unbroken period of eleven years of good work for the juniors; he championed their cause from first to last, and they placed every confidence in him; his place has been taken by Assistant Secretary J. Fitzgibbon, who donned the jersey for Dulwich Hill United last season.

We are again well off for playing areas, still having Primrose Park as headquarters; also three playing areas on Canterbury Sports Ground—Crescent Oval, Algie Park—Centennial Park, and a couple of other grounds.

The M.F.J.A. appears to be in for another very successful season, and so far 40 teams have affiliated, consisting of nine in the All Age, five in the A Grade, seven in B Grade, 19 in the C Grade.

Notable absentees from the All Age this season are Canterbury United (winners of Charity Cup last year) and Lakemba, who are now under the jurisdiction of the Canterbury and District Association, also Dulwich Hill United. Still this grade will be keenly fought, as new teams with good players have been entered. Marrickville Avoca (Premiers 1923) have entered again this year, but have lost some of their old

C Grade entries are the same as 1923, but it is expected that this number will be exceeded.

Notable absentees from junior ranks this year are Sarchfield, Canterbury's outside left, and Metropolitan representative, who has joined Granville; Wilson, Dulwich Hill United left back, and captain of Metropolitan representative team against Newcastle in 1923, also Hetterick, who also gained representative honors, has gone from Marrickville Avoca to Canterbury. The Association wishes them luck with the Seniors.

MR. T. CRAWFORD.

Tommy Crawford is a well known figure in Soccer Football circles, and he has been honored recently by his election to the position of President of the South Maitland B.F. Association, which Association he represents on N.S.W. Council.

Tom is a very prominent referee, and is reputed to be the best authority in New South Wales on the laws of the game. His latest is that Soccer in N.S.W. should publish a handbook on the laws of the game, and article will regularly appear in this journal during the coming season, the idea being that these articles should be taken as a basis at the close of the season, when the work of compilation of the handbook will be put in hand.

Crawford used to be known to Sydneyites as "Penalty Crawford," but he has long outlived that reputation. The New Zealanders found him a difficult man to crack when they played Marlborough, and it was said that Crawford never gave them a chance. The fact is, however, that he is a strict referee, and would not pass over what we undoubtedly regard as breaches of the rules in Australia whatever be the practical adopted in New Zealand.

REPRESENTATIVE BADGES.

The Council of the N.S.W. Association decided to again issue representative badges to all players who represented this State in the football field, and as the N.S.W. Association last year

Although I was not present at this game which ended so disastrously, I remember vividly the gloom that was cast throughout the Old Country, as supporters of both teams, friend and foe in sport, including visitors who had travelled from England for the game, were amongst the fallen. REPRESENTATIVE BADGES.

The Council of the N.S.W. Association decided to again issue representative badges to all players who represented this State on the football field, and as the N.S.W. Association last year really controlled all International matches, as well as Interstate matches, it decided to ask the approval of the Commonwealth Football Association to issue badges to those players who represented Australia last year. Approval was given by the Commonwealth Football As-

sented:
